Please register our objection to the water rate increase requested by Utilities, Inc., for Lakewood Subdivision, Anderson, SC.

Our bill in July was \$66.07--a family of 3 (2 retirees and an adult son)--and in August it was \$118.68. Since our neighborhood protested the last increase request, I have seen no improvements to any facilities in this neighborhood. The double charge that customers pay to Utilities, Inc., should cover their expense for providing water that they simply purchase at the end of the street .

Thank you. Ann and Larry Rushing
